Dear Mr. Foster

Thank-you for your inquiry on the American Cormo Sheep. I have enclosed all the material our association has available. I have also enclosed a list of breeders.

The picture enclosed is of the first Cormo Ram lamb sold in the United States. This Ram lamb was sold at auction at the National Ram Sale, Salt Lake City, Utah in 1977. He sold for \$2900.00, which set a new national record price paid for a ram lamb.

At this time the Cormo registry consists of approximately 520 registered animals, not counting the remaining 1985 lamb crop. The 1985 Association Officers are

Travis Jones: President  
Heinrich Ortmann: Vice President  
Dr. Lyle G. McNeal: Executive Administrator  
Mary Jo Davis: Secretary-Treasurer

I hope the enclosed information will be helpful. Should you have further questions please call or write.

Sincerely

Mary Jo Davis  
Administrative Assistant
